XI. CODE DISCUSSION/SPEAKERS:

-Tim Trantham, vice president of pacific product sales spoke to the group about the approvals, listings and other information in flexible line set piping for replacing copper lines in HVAC applications.

XII. OPEN DISCUSSION:

-Anyone is welcome to provide suggestions for guest speakers.

-Verify if we are preferred providers.

-Please use sign in sheets.

-Pallet Housing, open for further discussion.

-Video inspections, open for further discussion. When and where to use.

-Drones use? Is it worth it now?

-Committee sign up sheets. Received interest from two people for education committee. Email Alex if interested in joining a committee or being chair of one. Education chair highest priority.

-Self Certification for the 2022 OSSC and the 2022 OMSC required by June 1st. Available online for everyone even if no certifications are held. Private sector code update classes likely not needed to be put on by Chapter as all of the content is available online for public viewing and at no cost.

-OSHA trainings of value to inspectors: Ladder, confined space, ditches/excavations. Good idea to educate inspectors annually on these topics.

-Drone inspections and value added to safety of inspectors on jobsites for elevated inspections.

-ISO audit open discussion.

-Chapter ok with allocating \$1000 to virtual meeting equipment purchase (previously approved by Chapter May 13th, 2021 meeting).
